Re: Docket No. 03-00632

Dear Ms Tate:

This is a formal request to defer, until the next conference agenda, the hearing set for February 9th, 2004 at 1:00 PM Central Time in which the TRA will consider EZ Talk Communication's Appeal of the TRA's Initial Order Revoking EZ Talk's Certificate of Authority and Imposing Monetary Sanctions

At this time, EZ Talk Communications L L C. is trying to make every effort it can to cooperate with the TRA in seeing that this matter comes to a quick resolution. However, due to the demand on EZ Talk's resources, we are still in the process of securing local counsel to represent our interests. It would be unfair to continue with this hearing without allowing EZ Talk to obtain professional representation. Surely, a deferment to the next conference agenda will not have any adverse effects on the TRA or its position.

I have spoken to Mr. Richard Collier, General Counsel for the TRA, and he relayed to me that I can call into the hearing on February 9th. I informed him that I will in deed be calling in to, again, request a deferment. If you would be so kind as to forward this request to Jean Stone, Attorney for the consumers, I would be much obliged.

Thank you, in advance, for your time and consideration.

Respectfully,

Ashish Patel
